Then & Now Images

Pricing

Pricing for this service ranges from \$3500 - \$4500. The more photos provided in a digital format, and the more video provided with specific information and location, the lower the price becomes. The more you prepare, the more money you'll save.

Disclaimer

One round of revisions is included in the initial price. Any revisions after that will be charged based on time spent by *Then & Now Images*. Additional copies of finished product are available. Album Case copies are \$12 each, and Jewel Case copies are \$7 each. Client retains ownership of the music and all images contained in the final product. *Then & Now Images* is only providing the service of assembling the pictures for display to your private wedding audience.
